Each member of the **ALPACASA** team is evaluated by our value formula that is composed of three factors.:

1- : COMPREHENSION:

Knowing what I should do, to whom I should deliver it, how I should do it.

2- : CAPABILITY: Achieve the expected result.

3- : ATTITUDE: Be proactive, helpful, friendly, act with common sense and constant follow-up.

$$V = (C + C) \times A$$

VALUES = (COMPREHENSION + CAPABILITY) x ATTITUDE

VALUES:

1- Faith in God.

2- Passion for the result that the customer wants.

3- Creativity in providing solutions.

4- Honesty always.

5- Commitment to excellence.

OUR VISION

To be the multiplying element of our customers success.

OUR MISIÓN

Deliver the results that really matter to the customer.
